Grove Drive-in Campground, on London District, is located on a wooded ridge above Laurel River Lake, about 10 miles from Corbin, KY and 15 miles from Cumberland Falls State Resort Park. This scenic area provides plenty of opportunities for outdoor activity. The lake can be reached by hiking trails or by making a short drive to Grove Marina.

The campground has no beach for swimming. A public beach is operated by the U.S. Army Corps of Engineers at the Laurel River Lake dam.

Grove Campground is operated by a concessionaire under an agreement with the U.S. Forest Service.

Campsites may be reserved from Memorial Day through Labor Day weekends by visiting recreation.gov or by calling toll free 877-444-6777.

FOOD STORAGE REQUIRED. Visitors in developed sites must store food, garbage and other odorous items that may attract bears in a bear-resistant container, inside their vehicle, or in an enclosed hard-body trailer. Backcountry campers must suspend food, garbage and odorous items at least 10 feet off the ground and four feet away from any tree or pole. All food leftovers and trash must be properly disposed of in a bear-resistant trash receptacle or other container where provided by the Forest Service.

KNOW
before you **GO**

You are responsible for your own safety.

All outdoor activities have inherent risks and you may encounter a variety of unexpected and/or dangerous conditions. It is your responsibility to be informed and take precautions. Learn more at www.fs.usda.gov/r8.
